

AZ2UT ASAP

OnTrac speeds up service from Arizona to Utah

Beginning May 1st, OnTrac customers in Arizona will save an extra transit day on shipments destined to Utah! Shipments from Phoenix to Salt Lake City will now only take two days instead of three.

We've optimized our line-haul routes to provide you even faster delivery and still do it for 40% less than other carriers.

See our Utah delivery ZIP Codes [here](#).
